Dear Donor,

My name is Bethany Prociuous and it is with great joy that I am writing this letter to you! I am the recipient of the Panther Memorial Scholarship for the 2025-2026 academic year. Your generosity means so much to me since it has helped me to further my education.

I grew up in New Bethlehem, Pa with my father, mother, and older sister. I am a second-year student here at Pitt-Bradford majoring in biology. I hope to attend graduate school to become a physician's assistant after obtaining my bachelor's degree. I chose to come to Pitt-Bradford because of the community of people that are here. I believe that everyone here, including donors like you, truly want to see students succeed and will support and help us get there. The overwhelming support that has been given to me here genuinely has made my college journey so enjoyable.

At Pitt-Bradford, I am involved in Panther4Paws where I am serving as secretary for the second year. I am also in Vocal Arts Ensemble and Christ in Action. I love being a part of these clubs because of what they stand for. Panthers4Paws gives me an opportunity to give back to the community and support local animal rescues. Pitt-Bradford has given me the opportunity to build strong connections with others and be involved in things that I am passionate about.

Thank you for not only believing in this school but also students like me! Generous donors such as yourself are the reason that students are able to succeed and accomplish their goals! Thank you for helping me achieve my academic and professional goals!

Sincerely,

Bethany Prociuous
